Hi Dale,  
Here are the files from the original sign.

I see that Meghan Kenney was the contractor I do not know if Meghan still does this work but I do know that Paul White does as he just did Ridgewood Park for us.

It is the standard Town property sign dark blue field, white lettering. It is particularly important that the directional signs are included. Melissa Hersh can provide more information about those signs

Let me know if you need anything more.

Hi Jo Anne,

Are you and/or staff available for a site visit to talk about the BMP informational sign content and placement? The meeting is on Oct 1, 12:30 pm on-site at the Gateway Marina/Pleasant Street Park. Can you also email over the detail information for replacing the Pleasant Street Park grant sign.

Thanks,  
Dale
